

Product Specification Sheet

Targus Notebook Wireless Rechargeable Optical Mouse Part #: AMW05US

Product Description:

The Targus Notebook Wireless Rechargeable Optical Mouse offers RF technology coupled with 800-dpi resolution allowing for accuracy and precision in mouse movements and an uncluttered desktop. Maintain continuous operation and never worry about losing power again with rechargeable batteries and a USB charge cable that charges even during use. A dual-purpose ergonomic design is small enough for travel yet big enough for comfortable desktop operation.

Retail Part #: PAWM10U

Product Features and Specifications:

- **Wireless freedom** – RF wireless technology provides a clean, uncluttered workspace free from cables
- **Dual-purpose design** – Large enough for comfortable desktop use, yet small enough for mobile use
- **Power management** – Recharge via the USB charge cable; mouse functions during charging to ensure uninterrupted operation
